

**NOW WHEN DOCTORS CALL,
IT'LL BE TO THANK YOU.**

Make way for the new BioLis 24i chemistry analyzer from Carolina Liquid Chemistries. With a menu of over 100 tests and throughput of 400 tests per hour, its performance is unparalleled. And at a mere 31 inches, it can serve as a primary bench top or as a backup when you can't afford to be down. Call 877-722-8910 to learn more, or email us at contactsales@carolinachemistries.com.
